Aspire Academic Enrichment Program

The Aspire program at Byford Secondary College offers students' academic extension opportunities across the Humanities, English, Mathematics and Science (HEMS) curriculum areas. Operating as distinct class groups in Years 7-10, the Aspire program provides enriched learning experiences that are tailored to develop and advance students' knowledge, understanding and skills in a dynamic, challenging and supportive classroom environment. Aspire students are provided with specialist learning opportunities designed to advance their academic achievement, including through participation in competitions and engagement with subject-specific learning incursions and excursions. Members of the Aspire program also benefit from invitation to attend workshops to further the development of their study skills, time management and organisation, with an emphasis on building social, emotional, physical and academic resiliency.

All applicants to Byford Secondary College's Aspire Program for Year 7, 2019 must submit a **Portfolio of Achievement** and a **Personal Statement of Aspiration**. Further information will be provided on receipt of your RSVP. Testing will be held at Byford Secondary College on the morning of **Friday 7th September 2018**.

If you wish for your child to apply for entry into the Aspire Program at Byford Secondary College commencing in 2019, please RSVP your child's name and Primary School by email to the Aspire Coordinator Nicola Newbegin by **Friday 24th August 2018**.
