Replacement cards can be issued at the cost of \$5.00 per card. Students are requested to pay this to Administration before the replacement card can be ordered. Further information is available on our website.

Education Program Allowance

Applications close 9th April 2020

The Western Australian Department of Education provides an allowance to assist eligible families with secondary schooling costs. The Education Program Allowance will be paid directly to the College and will be applied to voluntary contributions for Years 7 - 10. For those parents/carers who elect to pay their clothing allowance to the College these funds will be deducted from the Compulsory Charges first and then any other Contributions and/or Charges. For Year 11 & 12 students in receipt of the allowance, the funds will be applied directly to Compulsory Charges. The allowances below are available to secondary students providing the eligibility criteria is met.

<http://www.concessions.wa.gov.au/Concessions/Pages/Secondary-Assistance-Scheme.aspx>

Eligibility Criteria

The parent or carer must be the holder of a card that is valid during first term. The only exception to this is when a student holds a health care card in their name and is declared an independent youth by the Department of Human Services (Centrelink) (e.g. living away from home). In this instance, a letter of confirmation from Centrelink needs to accompany the application.

Parent or carer must hold one of the following cards:

- Centrelink Family Health Care Card
- Centrelink Pensioner Concession Card
- Veterans' Affairs Pensioner Concession Card (blue card only)

The allowance is paid up to and including the year the student turns 18 years of age. Applications are made by the parent or carer for students enrolled in Years 7 - 12. Application forms are to be completed at the College during term one and close Thursday 9th April 2020.

Processing of Payments

These forms are now forwarded electronically to Schools Resourcing and Support Directorate for processing which allows the Uniform money to be credited to Parent/Carers' accounts faster. (allow 5-10 working days).

Schools Resourcing and Budgeting Directorate will endeavour to have all clothing payments made to the parent/guardian by 31 May 2020.

Late Applications

Late applications will only be accepted in extenuating circumstances and must be accompanied with a written explanation OR the student has recently arrived from interstate or overseas and enrolled after the end of first term.

Secondary Assistance Scheme

The allowance consists of two components:

- \$235.00 Education Program Allowance paid directly to the College and applied to voluntary contributions for Years 7 - 10. For Year 11 & 12 students in receipt of the allowance, the funds will be applied directly to Compulsory Charges.
- \$115.00 Clothing Allowance paid directly to the parent/carers or to the College if you wish the money to be allocated towards College charges and contributions.

Abstudy Supplement Allowance

The ABSTUDY Supplement Allowance is available to valid Department of Human Services (Centrelink) cardholders; this funding supplements the Department of Human Services (Centrelink) ABSTUDY Fees Allowance payment.

Applicants apply through the Department of Human Services (Centrelink) for the ABSTUDY Fees Allowance. A payment of \$79.00 is then made to the College directly by Centrelink.

Furthermore, the College or parent/carers must have received the School Fee Allowance of \$78.00 or \$156.00 from the Department of Human Services (Centrelink) as part of the student's ABSTUDY School Fees Allowance.

Payment of the ABSTUDY Supplement Allowance is made directly to the College and will be applied to voluntary contributions for Years 7 - 10, and Charges for Years 11 and 12.

Please note that the Secondary Assistance Scheme cannot be claimed as well as this allowance.

Payment of Contributions and Charges

We believe that the best way to provide a quality education is through the provision of modern resources and equipment for our students. These resources and equipment, although supported by our public education system, are also provided through the payment of Contributions and Charges. We have endeavoured to keep these Contributions and Charges to a minimum; however your support in paying those listed here for your child will enable our College to enhance our programs and learning resources.

We recommend you start making plans now so that you are in a position to pay your Voluntary Contributions and Compulsory Charges prior to the end of Term One. Funds collected within the year are spent on resources for that year.

We appreciate that the payment of these Contributions and Charges can be a financial burden for some families. Should you be experiencing difficulties with making these payments, please contact our Administration Office.

Payment Options

The College makes provision for the following payment options:

- BPay using the information on the Contributions & Charges Sheet eg: Student Number (SN)
- Internet Banking to: BSB: 066040 Account No: 19904314.
Please ensure the following information is entered in the details section:
Name, Yr, SN - (located on the Contributions & Charges Sheet eg: John Smith Yr8 24458404)
- Credit Card: Visa or MasterCard only. By completing the credit card information at the bottom of the Contributions & Charges Sheet and posting to the College.
- Payment plans are welcome - please contact Administration to discuss.
- By telephone using credit card facilities on 9550 6100.
- In person during office hours.

Contribution and Charges Information

The following information is provided to help make the College contributions and charges structure clear for parents and carers.

Byford Secondary College Board has directed our efforts towards keeping costs as low and as equitable as possible. The Byford Secondary College Board has examined the contributions and charges structure and has approved the amounts shown in accordance with the Education Act.

Where do Contributions and Charges go?

Some examples include: ingredients in food production, art materials, timber, metal, consumable tools, external instructors, sporting equipment, etc.

For years 7 to 10 the maximum voluntary contributions a College may charge is currently fixed at \$235.00, however additional compulsory charges above that figure can be requested for consumables and additional resources. For Years 11 and 12 there are no maximum charges set by the State Government. Schools endeavour to set their own charges for these years and such charges are compulsory. (The school can also request a 50% confirmation charge for these years).

Voluntary Contribution Years 7 - 10

Revenue collected from your voluntary contributions is used to help cover expenses for students in compulsory learning areas. Examples of these expenses are physical education equipment, information & communication technology (ICT) equipment, information technology network, food production, metalwork, woodwork, textiles and photocopied materials.

Compulsory Charges

Extra cost courses (electives) outside the basic core program incur additional charges above the voluntary contribution of \$235.00. For example; sports, visual art, woodwork, metalwork and food attract compulsory charges for items such as consumable materials and venue hire. The Instrumental Music School Services (IMSS) program also incurs extra charges. Charges relate to items that students consume over and above what is supplied by the Department of Education.

Charges for electives are required to be paid in full by the end of Week 9, Term 1 2020.

Charges for high cost electives (over \$55.00) are required to be paid in full by the end of Week 1 Term 1 to ensure your students placement in their chosen elective.

Year 11 and 12 Student Charges

All subjects costs for Year 11 and Year 12 students are considered to be charges and therefore payment is compulsory. All Charges are required to be paid in full by the end of Term 1 2020. Charges will depend upon the course chosen. Some specific courses will incur higher costs. These are due to items such as text books, subject specific resources, materials, excursions, certificates and work placement. Students involved in work placement must pay the associated fees prior to commencement of the work placement.

The Legal Position

The State Government through the Department of Education provides placement at educational facilities for all students who choose to attend Government schools. The Department also pays for the salaries and wages of all teaching and school support staff plus costs such as repairs, maintenance and utilities. The Government does not provide for many of the goods and services which students use and it is reasonable for parents and carers to meet these costs.

Voluntary Approved Requests

Library (\$25.00) is used by the College to purchase a large and expansive range of equipment, books and ebooks. The Department of Education provides limited funding to provide resources for the Library.

Pastoral Care (\$25.00) is an integral part of the College's Student Services program, these funds help us to provide additional support such as school chaplain and school social workers.

Information Technology (\$10.00) is required to provide a large and expensive range of IT equipment to enable students to continue to have access to the most up to date and modern technology. The Department of Education provides limited funding to provide resources for this area.

P&C Association (\$15.00) BSC is eager to reestablish the P&C in 2020. This contribution enables the P&C to purchase much needed equipment for students use. Expressions of interest are welcome, please contact Administration on 9550 6100.

Who should pay?

Given that all students benefit from the pool of collected fees, it is fair to expect that all parents or carers should pay the balance of voluntary contributions and charges. All would agree that it is unfair for those parents or carers who meet their financial commitments to be seen to subsidise the education of those students whose parents or carers do not pay their contributions and charges. The College is committed to an even-handed and responsible approach so that all parents or carers should make contributions towards their children's education.

A Compassionate View

The College is only too aware that the payment of College contributions and charges can be a burden for some families. Part payments and deferred payments are available to support parents or carers experiencing difficulties. Ignoring accounts and reminders is unhelpful to all parties. The College is also keen to assist parents or carers in selecting options that they can afford. To this end subject charges will always be provided to parents or carers prior to selection of subjects.

Collecting Contributions and Charges

The College will take a positive approach to collecting contributions from parents or carers of students. In particular, the College will highlight the benefits to students if all parents or carers meet their contributions. The College will actively seek full payment of charges.

- In 2020 three statements will be posted up until Friday 30 June 2020.
- Compulsory charges unpaid as at the 1 July 2020 may be referred to a debt collection agency unless prior arrangements have been made.
- Outstanding charges are rolled over to the student's record in the following year where applicable.
- Year 9, 10, 11 and 12 high cost subjects require a 50% confirmation charge prior to enrolment.
- Where parents with outstanding Compulsory Charges have failed to arrange and commit to a payment plan, the student may be removed from their chosen Elective courses and be placed in a course that satisfies the requirements of the Curriculum Framework. Or, in the case where the unpaid Compulsory Charges cover the cost of materials for the practical classes, the student will not be able to participate in the practical lessons and will have to complete theory work.

Printing of Receipts

Receipts for payment of camps, excursions and smart rider cards will not be printed unless specifically requested.

Excursion / Incursion Information

Byford Secondary College uses the Compass system for our incursions and excursion planning. You will be emailed an invitation when your student is scheduled to attend curriculum excursions. This system requires all parents / caregivers to have an email address and internet access. If you do not have an email address, please contact the College by calling 9550 6193 for assistance in obtaining an email address.

There is no username or password required to use the system. All information is stored in accordance with the Australian privacy requirements.

You will be asked to update your contact details and your child's medical and allergy information. This only needs completing once. Parents can then easily update and change details if required through the system.

The College has an online payment system of BPoint to collect payments from parents and caregivers. These payments must be submitted at time of acceptance of the excursion or incursion to be included into the excursion / incursion.

Please contact Administration on 9550 6100 if you require more information.

Workplace Learning (ADWPL)

Students from Year 10 to Year 12 may wish to enrol in Workplace Learning (ADWPL) to gain credits towards their WACE. There are strict reporting requirements that must be met. Students will be required to fully complete the College Logbook/s and Skills Journal/s along with completing mandatory workplace hours.

Byford Secondary College students may participate in activities such as **paid or unpaid employment outside of school hours**. These programs often occur outside of school hours and are referred to as outside of school workplace arrangements. An expression of interest form must be collected from the VET office, all aspects must be completed and approved prior to enrolment.

Byford Secondary College students may participate in **unpaid Workplace Learning during school hours** in some instances. This is often targeted BLOCK release, as part of a VET Qualification. An expression of interest form must be collected from the VET office, all aspects must be completed and approved prior to enrolment.

School Based Traineeship/Apprenticeship students will also be enrolled in ADWPL, this process needs to be negotiated with the VET office and is approved on a case by case basis.

At all times students must meet industry standards and this is the responsibility of students and their caregivers. This may require holding a current White Card, completing Drug and Alcohol testing and/or providing appropriate PPE (Personal Protection Equipment).

Other Endorsed Programs

An endorsed program is a significant learning program that has been developed for senior secondary students. The program may have been developed by the School Curriculum and Standards Authority, or it may have been developed by a private provider or a school and subsequently endorsed by the Authority. Endorsed programs can be delivered as part of the school curriculum or as extra-curricular activities. Enrolment in Endorsed Programs needs to be negotiated with the VET office or Associate Principal and is approved on a case by case basis.

As required by the Department of Education, we are informing parents and carers of the planned excursions, incursions, camps and competitions that may take place during 2020. If your child is in one of the following categories, they may be participating in the relevant activity. The costs of each activity will not exceed the amount listed. There may be additional excursions that do not incur a cost to the parents or carers. There may also be extra activities undertaken by your child that may not be listed below but may incur extra costs. You will be contacted with the details closer to the activity date – do not send in any money for any of these activities at this stage.
