

Dear Parent/Carer

Thank you for your choosing to enrol your child at Byford Secondary College.

Our motto 'Aspire to Excellence' articulates our vision. We are a school of choice for our local community, and we are dedicated to working together to provide effective learning experiences where we all grow, and students are prepared for a successful life beyond school. Our program ultimately leads to achievement of a Western Australian Certificate of Education (WACE) on completion of Year 12, and develops your child's academic, social, and emotional skills so that they prosper in the future.

Our College is a contemporary facility offering those who attend the latest in educational design and infrastructure to maximise student learning and engagement. We believe that every young person has unique experiences, learning styles and goals which we accommodate to support individual success. We provide a broad range of opportunities with pathways leading to attainment of an Australian Tertiary Admission Rank (ATAR), Vocational Education and Training (VET) qualifications and/or future employment. Each student's pathway is tailored to the individual's post-school aspirations.

These programs are delivered in new modern design and technology workshops, science laboratories, integrated education support facilities and other state-of-the-art purpose built learning areas across the campus.

The Western Australian Department of Education has gazetted a Local Intake Area (LIA) for our College. This LIA sets out where families must reside in order for a child to always be accepted at our College. Should you wish to view our designated LIA, you can access this information at <http://www.det.wa.edu.au/schoolsonline/home.do>.

Enrolment into the College is a two-step process. Firstly you need to complete the *Application to Enrol Form (Part A)* which has been included with this letter. This form can also be collected from our College or accessed on our College website at www.byfordsc.wa.edu.au. Secondly if an enrolment application is accepted, you will be provided with *Enrolment Form (Part B)*. Both steps must be completed with all requested supporting documents submitted in order to finalise your child's enrolment at our College. Part A should be completed by the end of Term 2 and Part B by the end of Term 3 to ensure smooth transition into our College for the start of 2025.

Byford Secondary College often communicates with our families through a range of digital means. It is therefore important that you have a current email address which we will ask for during the enrolment process. I encourage you to access our website at www.byfordsc.wa.edu.au for further information.

 57 Abernethy Road, Byford WA 6122 | www.byfordsc.wa.edu.au
 Administration: (08) 9526 7700 | Absentees: (08) 9526 7738
 Byford.SC@education.wa.edu.au | Byford.SC.Absentees@education.wa.edu.au

Should you have further questions regarding the enrolment process, or any aspect of our College, please do not hesitate to contact us on (08) 9526 7704 or via email at byford.sc.enrolments@education.wa.edu.au.

I thank you for choosing our College and we look forward to working in partnership with you in the education of your young person.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Paul Jones', with a long horizontal stroke extending to the right.

Paul Jones
Principal

 57 Abernethy Road, Byford WA 6122 | www.byfordsc.wa.edu.au
 Administration: (08) 9526 7700 | Absentees: (08) 9526 7738
 Byford.SC@education.wa.edu.au | Byford.SC.Absentees@education.wa.edu.au

How to enrol

Enrolment in a West Australian Public School is a two or three-step process. Parents first lodge an **Application for Enrolment (Part A)** with the school, together with proof of residence in the Local Intake Area (2 pieces) and other requested documentation. If our College is in a position to offer your child a placement, you will be provided with an **Enrolment Form (Part B)** and **Student Health Care Summary (Form 1)**. The enrolment is not formalised until this documentation has been processed. An interview with family may be required.

Parents seeking to enrol their child at Byford Secondary College (Byford SC) need to complete a hard copy or online **Application for Enrolment (Part A)** and lodge it with supporting documentation – see list on back of Part A. The College will advise parents of the outcome of their application in writing as soon as possible. You can access enrolment information and fillable forms by going to our website <https://byfordsc.wa.edu.au/>.

What is meant by “Local Intake Area” (LIA)?

The Department of Education has designated Byford SC as a local intake school, due to population and resource pressures. This means that to be guaranteed a place at Byford SC you must reside in the Local Intake Area, which is a geographical boundary set around the College. *If your usual place of residence is within that area, your children will be automatically accepted into the College.*

You can view the local intake area for Byford SC at [Byford Secondary College Local Intake Map](#). Simply zoom or search the map to see if you are located within our boundary.

What is meant by proof of residence?

To be eligible for enrolment at Byford SC you need to reside within the Local Intake Area (LIA) and provide us with proof of your residence. The following documents are required as proof:

One of the following:

- Current rates notice from the local council; or
- Current lease agreement with a minimum of 3 months remaining; or
- Where the family is building in our LIA, evidence of the construction stage.

PLUS one of the following:

- Current driver’s licence; or
- Latest utility bill or connection (gas, power, water or landline phone); or
- Recent Centrelink letter.

Application for Enrolment

Whenever possible parents are required to apply by the closing date in the year prior to attending – first Friday of Term 3. This assists the College with planning, eg. staff employment. Applications may still be made after the closing date and will be considered on a case by case basis, in accordance with the Department of Education’s *Enrolment Policy* which can be found at <http://www.det.wa.edu.au/policies>.

What is the purpose of the Form A?

The purpose of the Form A is to establish:

1. The **identity and needs** of the student for whom enrolment is being sought;
2. The **eligibility** of the student to enrol in a Western Australian public school; and
3. The **residential status** of the student and hence their eligibility under local intake restrictions to enrol at Byford Secondary College.

Places can only be guaranteed for those students who meet all of these parameters.

Proof of Australian Residency needs to be submitted with the Form A

Students born in Australia:

- A copy of the student's Birth Certificate if at least one parent was born in Australia; or
- A copy of the student's Birth Certificate and Citizenship if both parents were born overseas.

Students born overseas:

- A copy of the student's Birth Certificate
- Passports of the parents
- Current visa subclass and previous visa subclass (if applicable); or
- If the student holds a bridging visa - evidence of the visa for which the student has applied.

Note: Parents are required to notify the school of any changes to a student's Citizenship, i.e. current Visa Sub Class when changing from Temporary Resident to Permanent Resident or where a student becomes an Australian Citizen. A copy of this documentation is required for our records.

How do I submit my Application for Enrolment?

Completed online forms, or clear scans/photos of all documents, can be submitted to the enrolments email (below). Hard copies can be submitted to the College office or mailbox, or posted to:

Attn: Enrolments Officer

Byford Secondary College
57 Abernethy Road, WA, 6122

Please note that the *Application for Enrolment (Part A)* will not be considered unless all required documentation has been provided.

What special programs does the school offer?

Byford SC has specialised programs available for which interested students can apply. The ***Special Programs Application Form*** is included with this package.

Our available programs are:

- Instrumental Music Program (IMMS) <http://det.wa.edu.au/imss/detcms/portal/>;
- Aspire Academic Enrichment Program;
- Netball Sport Science Program;
- AFL Sport Science Program; and
- Advanced Arts Program (Year 7s only)

Confidentiality

The information provided in this application will be stored securely in local school and Departmental databases. The management of these databases is governed by State and Departmental policies to ensure security, privacy and confidentiality. All information provided on this form will be treated confidentially.

S242 of the School Education Act 1999 precludes this information from being used for any purpose other than:

- to determine whether your application for enrolment can be accepted; and
- to assist the school with addressing any needs for your child if enrolment is accepted; and
- to comply with legal requirements or ministerial directions.

Need further information?

Please contact our friendly Enrolments Team at the College.

In Person: 57 Abernethy Road, Byford WA 6122 | 8.15am to 3.45pm | Monday to Friday
Phone: (08) 9526 7704
Email: byford.sc.enrolments@education.wa.edu.au
Website: <https://byfordsc.wa.edu.au/>

Application for Enrolment - Part A

You must complete a separate enrolment application for each student.

Submitting an application for enrolment does not guarantee you will receive a place at the school. The school will notify you in writing of the outcome of your application. If you are unable to complete this application form, please contact the school for help. For more information please visit the Department of Education [website](#).

PERSONAL DETAILS (Please complete all details below)

Bring Your Own Device Requirements

Students will need to have a device in their possession each school day in order to maximise participation in the learning opportunities and activities presented in their classroom.

Apple and windows devices should be used within the school.

- **Android** devices and **iPad Mini** are ***not supported***.
- Chromebooks are ***not supported***.
- Second-hand and reconditioned Apple/Windows devices are acceptable.
- A drop proof case & care protection/warranty are *recommended*.
- Minimum storage of 64GB. If your child is enrolling in media type classes, consider getting a larger capacity device to store recorded video.

While you may source your device from anywhere, the College has partnered with two companies that provide discounted or special rates on devices.

1. JB Hi-Fi to offer a range of suitable products *at education specific prices*. *If you wish to purchase through this program, please go to our website www.byfordsc.wa.edu.au, Enrol tab and open BYOD program.*
2. Compnow offers specially priced bundles for your child's learning and ICT needs. Head to <https://shop.compnow.com.au/school/byford-sc> to see their payment options and bundles.
 - a. There is also the option to spread the cost of your purchase into smaller payments with Edstart.
 - b. You can choose to pay weekly, fortnightly or monthly
 - c. Spread your cost for up to 36 months
 - d. No interest charges
 - e. \$6 monthly account-keeping fee while your balance is above zero
 - f. No lock-in contract – adjust or cancel at any time with no charges

The College makes every effort to protect students from inappropriate websites, and we recommend that safe internet practices are followed outside of the College as well. Running services such as VPNs to evade restrictions will result in the device being banned from our network. Please see our IT policy at <http://byfordsc.wa.edu.au/policies>

Private insurance of your student's device is strongly recommended as the college is not liable for any damage to personal items.

Official BYOD Partner

Byford Secondary College

has negotiated special education pricing for a BYOD portal program from Compnow.

[shop.compnow.com.au/
school/byford-sc](https://shop.compnow.com.au/school/byford-sc)

Netball and AFL Sport Science Specialised Programs

Our **Netball and AFL Sport Science Programs** allow students to learn fundamental skills and strategies to prepare them for participation in interschool carnivals and exhibition games. In 2025, students who are selected for the program will participate in two practical sessions per week with an accredited coach. Netball and AFL students have the opportunity to go on excursions to watch the West Coast Fever play and to the Fremantle Dockers training facilities; coach local primary school students; trial for interschool tournaments such as High School Cup, Dockers Cup, Multicultural Carnivals and lightning carnivals, plus go on a camp to Busselton during their final year in the program.

Students will also study fitness testing; video analysis of their game play; functional anatomy; peer coaching; exercise physiology and umpiring. The skills developed in this program will prepare students for the practical and theoretical content in the Year 11-12 Physical Education Studies and Certificate II in Sport Coaching courses, should they choose to pursue that pathway in senior school. Due to the high standards promoted in the program, it is expected that students will demonstrate exemplary sportsmanship, teamwork and interpersonal skills in all aspects of the course.

Instrumental Music School Services (IMSS)

The **IMSS Program** provides the opportunity for students to learn a musical instrument here at Byford Secondary College. Students in the program will receive free weekly lessons on their instrument, as well as the opportunity to participate in other music enrichment activities such as concerts and events. Students already in the IMSS program at primary school are not required to complete an aptitude test to continue their lessons in high school. We also offer a limited number of Year 7 students not already in the IMSS program the opportunity start learning an instrument.

Advanced Arts

The **Advanced Arts Program** is an extra-curricular course designed for students who want to work with other like-minded students who are passionate about The Arts. This runs outside of the normal school timetable, as either a Period 0 (before school), or Period 6 (after school). Students can choose to focus on Performing Arts or Visual Arts and collaborate with others to work on large-scale artistic projects. Students are expected to participate in all activities and learning opportunities, while working effectively with other staff, students and guests.

Aspire

The **Aspire Program** offers students academic extension opportunities across the Humanities, English, Mathematics and Science curriculum areas. Operating as distinct class groups in Years 7-10 for students, the Aspire program provides enriched learning experiences that are tailored to develop and advance students' knowledge, understanding and skills in a dynamic, challenging and supportive classroom environment.

Aspire students are provided with specialist learning opportunities designed to advance their academic achievement, including participation in competitions and engagement with cross-curricular learning incursions and excursions. Members of the Aspire program also benefit from invitations to attend workshops to further the development of their study skills, time management and organisation, with an emphasis on building social, emotional, physical and academic resilience.

All year 6 students will be tested in their own Primary School class. The highest achieving students will be invited to join the program. These offers will be completed in Term 2. If they are unable to participate on the test day or are from a school not in our local area, arrangements can be made for a 50-minute computerised test, to be facilitated by their class teacher. Further details are on the application form.

SCHOLARSHIPS

Scholarship opportunities are now open to current Year Six students who will be joining the Byford Secondary College community in 2025. You are invited to apply for one or two of our prestigious scholarships. Please note that students must reside within our local intake area to be eligible.

Excellence in The Arts Scholarship

\$300 awarded to the student for outstanding performance in one or more areas of The Arts, including Visual Art, Drama, Dance, Media and/or Music.

Citizenship Scholarship

\$300 awarded to a student who demonstrates citizenship in both the school and local community.

Leadership Scholarship

\$300 awarded to a student who demonstrates outstanding leadership skills within the school or local community.

Sports Leadership Scholarship

\$300 awarded to a student who has demonstrated outstanding sporting ability, commitment and sportsmanship.

Aspire Academic Excellence Scholarship – No application is needed!

An iPad is awarded to the highest three scoring students in this year's Aspire testing. *No application is required.*

Monies awarded will be allocated to the student's school account to be used for curriculum expenses. Applications will need to include the following information:

- Scholarship Application (included in this package)
- Referee Report (included in this package)

Please submit your application to Byford Secondary College via email to our Enrolments Officer at byford.sc.enrolments@education.wa.edu.au. Applications will also be available on the school website.

Applications close: Friday, 19th July 2024
